SEARCHING FOR PARADISE?

IT'S CLOSER
THAN YOU THINK.

Just two miles east of I-75, Southwest Florida International Airport (RSW) has a $386 million state-of-the-art terminal—and meeting planners have another reason to put Marco Island Marriott Beach Resort at the top of their list!

Over twenty airline carriers offer nonstop service between RSW and over 40 U.S., Canadian and German destinations, in addition to the many connecting flights that provide seamless one-stop service to cities throughout the United States and around the world.

That means the harmony, balance and warm hospitality of our Balinese-inspired island paradise are easily accessible from . . . well, just about anywhere!

Paradise has never been closer.
