

Presidential Suite 1,810 sq.ft.

Located on the terrace level, this suite, overlooking the ocean is expansive, yet elegant. Featuring huge windows that bathe the suite in warm light, grand terrace with comfortable seating, marble floor with decorative inlays, custom lighting and amenities that include a pool table, wet bar and a luxurious and expansive master bedroom that features a Marriott Revive king-size bed and a connecting bath with Jacuzzi tub. The separate living room converts for additional sleeping, while an additional half-bath, dinette with four chairs and kitchen essentials make this a perfect sanctuary in the sky.
